

SYNPLAS SPH

1st March 2006

Synplas **SPH** has very good tear resistance in both directions.
The sheet is coated both sides to accept conventional inks.
When printing litho, oxidising inks will decrease drying time.

Price per 1000 sheets

Sq Metre	Product Code	SIZE mm	GSM	PACK	1000	2500	5000	10000
